

Halle loves her preschool...and Jack loves...toothpaste...

## October

In

Colorado!!!!

Featuring:

**THE HOXIE's!!!!**  
(all 5 of them)

created to LOVE radically, called to LIVE supernaturally, commissioned to TRANSFORM society

Hey Friends! October is here and we love life! We are probably most excited about the pending introduction of Benjamin James to the world. Hoping that will take place sometime around Dec 27<sup>th</sup>.

In the meantime we have been loving Jesus and building a college group and church that is thriving! Lifegroup is growing and Robyn and I and our college staff are formerly discipling 14 college students with some of those looking to disciple their peers! And our church is right around 60 people/week at our Sunday service!

## CSU

This year I (Austin) have also had the chance to go back to school to finish my degree! I am studying Human Development and Family Studies and hope to finish in 2016 (I'm on the slow slow track).

XMAS Letter

If you have never gotten a XMAS letter from us and would like one please send me email me your address.

## God's Provision

Robyn and I are at %95 of our budget! Praise God and thank you for investing in us and what God is doing through us! This season of our life has been such a blessing as we have been able to start looking beyond our needs and to some of our wants. We have been able to putt Halle in dance classes! Which has been a blast! (for her and us )

We are so thankful to be planting this church in Fort Collins and to be called to the vision of this church. But it is only a part of God's story and the greater Church. Thank you all again for being called to us – prayerfully, financially, and relationally. If you would like to give or would like more frequent updates please go on our website @ <http://austinandrobyn.wordpress.com> or email me at [austin@antiochfc.org](mailto:austin@antiochfc.org). Love – The Hoxie's!
